Gurjar Hindu Union, Shree Sanatan Mandir (Crawley) families are celebrating a milestone by printing a special souvenir booklet(A5size) to mark the 15th Year Anniversary of The Sanatan Mandir and Community Centre(Appletree Centre)..

This important event marks the history and progress we have made not only as Hindu Community ,but as the wider residents of Crawley who set out to carry out the impossible and set a goal of having our own purpose-built Centre and make it a very successful project.

We have achieved that primary goal of having a 'Centre of Excellence' promotion: Education, Culture and Integration in the wider community with excellence.

We are now moving to the next stage of the project of creating a Hub to offer Crawley the public a: "Health, Wellbeing and Loneliness" building project

Please use this opportunity to convey a message of congratulations to the Board of Ambassadors, Governors and Volunteers by:

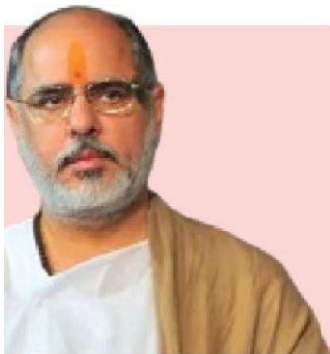

1. **Advertising Your Business**
2. **Advertising your Voluntary/ Statutory Organisation**
